

Dear Prospective Student,

We are pleased that you are considering 180 Ministries of Teen Challenge to begin your recovery from addiction.

180 Ministries of Teen Challenge is one of the most successful faith-based recovery support programs in the world; we contribute our success to our foundation in faith. We believe that true change comes from what God can do on the inside of us. If you are interested in faith-based recovery, Teen Challenge is the place for you. All of our classes, counsel, and environment are rooted in a belief in God and values found in the Bible. We are serious about faith-based recovery because it has provided the most successful care available for overcoming addiction and beginning a new life.

180 Ministries of Teen Challenge is a “Culture of Responsibility.” Our basic premise is that one must assume responsibility for his own life. You must own the responsibility for your thoughts, choices, and life patterns. Difficult experiences can contribute to life controlling addiction but cannot be an excuse for remaining in addiction. At 180 Ministries of Teen Challenge you will take a responsible look at your life so healing can occur and important lessons can be learned. Your negative experiences do not need to dictate your future.

Coming into 180 Ministries of Teen Challenge can be difficult at first. When drugs and alcohol wear off, and you find yourself away from all that’s familiar, a variety of emotions can be experienced. Feelings of anger, pain, guilt, homesickness, or even being trapped, can creep in on you. As badly as you know you need to begin this journey, this “internal war” can be most difficult. Experience tells us that once an individual passes through this initial struggle they will adjust to the program.

You have probably had moments where you wanted things to be different, but were unable to break the cycles of addiction. We are determined to help you get your life back. No one can lead your life but you. We want to help you become that responsible leader!

A Message to Families

Families will need to be strong. We must shut the door on every excuse to leave the program prematurely. As brave as the student may appear, fears of facing the challenge of changing their life is real. The family’s natural instinct is to relieve pain, but there’s no growth without it. We need families to stand strong as we help the student take a hard look at their life. 180 Ministries of Teen Challenge must have the family’s support throughout the process of change. Whenever they communicate pain, encourage them to stay the course and refuse to support a departure from the program.

Sincerely, the 180 Ministries Staff

SPIRITUALLY: TEEN CHALLENGE deals with the person's problems as symptoms that relate to deeper problems and conflicts. A focus on an individual's spiritual need is where healing begins. Through faith in Christ, individuals find the changing power that gives the ability to cope with problems and live a more effective life.

MENTALLY: The rebuilding of the used and abused mind is vital. Consistent Bible study, along with a Bible-based life skills curriculum are the tools used to enhance mental growth. These tools serve as the foundation for restructuring broken down thought patterns; creating new stable ideas and principles.

PHYSICALLY: TEEN CHALLENGE provides an environment that includes shelter, food, and basic needs as well as work, rest, and recreation. As students begin to function in a drug free environment, physical health usually begins to improve greatly.

SOCIALLY: Through the benefits of a group living environment, students learn the biblical perspective of relationships and conflict management. As a result, graduates achieve greater success in relating to family, peers and authority.

Dear Prospective Student/Families:

RE: Cost of the program

180 Ministries/Teen Challenge is a faith-based, 501c3 non-profit organization helping people with life-controlling problems. 180/TC operates under the accreditation of Teen Challenge International, and has a proven record of success. 180/TC is independently governed by a local Board of Directors and is not underwritten by any organization or agency.

It costs approximately \$2200 per month to maintain each student in the program. We realize that this is a substantial amount of money, and most students entering the program need sponsors (usually family and friends) to support them. If you are unable to raise the full sponsorship, you must make a satisfactory arrangement with the Intake Coordinator. No one is turned away from Teen Challenge who has legitimate financial need, but we require each student to make an honest effort in raising support for their recovery program.

Please read the attached **Sponsor Letter** thoroughly. Make as many copies of the **Sponsor Letter** as you need to present to friends, family, churches, businesses, or other concerned individuals who you think would be willing to sponsor you.
